

2015 AMY ROSE TEAM

Royal Leamington Spa Hampshire v Buckinghamshire Friday August 28th 2pm

We had a great new team this year with some familiar faces! They practiced very hard for three months in advance of the competition and should be very proud of themselves.

Unfortunately we had to play without one of our skips Elaine Cullen as she had damaged her back the week before, which was a shame as this was her last year to be able to play as she will be too old for 2016!

However Georgina Bailey stepped up and took the helm, with our reserve Lauren Kerr as her three, Georgia Bristow as two and Anna Redman as lead. Laura Kitcher skipped for the other rink with Nicole Rogers as three, Heather Satham as two and Alice Lovett as lead.

We faced Buckinghamshire on a change of rinks from C to B green 1 and 2. Laura Kitcher's rink took charge and held their ground for most of the game, whilst Georgina Bailey's rink struggled to keep the gap close, towards the end. On the 19th end we were asked to concede as we could not win (as per Bowls England rules) which was disappointing as Laura Kitcher's rink could have won their game.

A very gallant attempt for Hampshire!
