

2014 AMY ROSE TEAM

Royal Leamington Spa Hampshire v Kent Friday August 29th 2pm

This Bowls Hampshire Amy Rose Team is the first one for three years and due to various unforeseen circumstances beyond our control, they had not played together as a full team before going to the Ladies Nationals at Royal Leamington Spa! Three of the new members were only 15 years of age and had not played in such a large event with all the noise and revelry that the Amy Rose attracts!

These young ladies, Nicole Rogers, Anna Redman and Georgia Bristow played a cracking game against Kent ~ they were not phased by the enormity of the game and thoroughly enjoyed themselves into the bargain. The two Skips, Elaine Cullen and Kim Martin, both worked their team and encouraged the new members, anyone would have thought they had played together before!

Megan Ticehurst and Carly Bishop strengthened Kim's side whilst Georgina Bailey supported Elaine as she had three years ago. Halfway through the game we were convinced we could possibly win as both rinks were playing so well, but Kent dug in and started to pull away.

This is just the beginning.....
