

# Are you a President or Past-President of an Outdoor or Indoor Bowls Club in Hampshire?

Then why not belong to the  
Association formed just for you!

The Hampshire Bowling Clubs Past President's Association  
was formed in 1953 to foster the Spirit of Fellowship  
in the game of Bowls

The HBCPPA is open to Ladies and Gents  
and we play a number of games Outdoors  
and Indoors each year

We need your support to keep this old established  
Association alive and not become part of Hampshire's  
bowling history.

Annual subscription won't break the Bank, so for an  
application form or further information please contact
